**3. Business Arising:**

**4. General Correspondence In/Out:**

**OUT:**

**IN:** Bank Statements

**5. Principals Report**

\* Thank you to all who participated / organized Bunnings BBQ

\* Year 9 Project Based Learning electives are wrapping up for Semester 1 this week. As I have mentioned previously, Project Based Learning allows students to answer a guiding question which has some real world application and last Wednesday saw the first group of students present their projects at an exhibition in the school hall. From Bionics to Personal Training, Fashion Design to Outdoor Survival, Cake Decoration to Game Making a number of our students were able to demonstrate their learning to their peers, teachers and to a number of parents who visited the exhibition during the afternoon. Our Deputy Principal Kristie Harris has been the driving force behind the whole PBL initiative at the school.

\* The last week of term also sees 'Careers Week' for all of our Year 10 students. Wherever their post-school destination may be, our students are given the opportunity to learn all they can about future pathways into employment, apprenticeships and higher education through a highly engaging program organised by the school, which included former students, careers advisors, one on one interviews and information on subject selection.

\* The TASTER lessons for Year 5 students have continued to be a great success for the third year running. The establishment of the Taster Day at Mount Annan High for the local feeder schools has continued to be received positively by all the students who attended. This year as part of our community of school program, lesson activities were filmed and students were interviewed about the significance of this program and how it is instrumental in facilitating the transition of students into high school. Next term we are looking forward to having all Year 6 students from the local primary schools for their second Taster lessons. There is approximately 230 Year 7 students in 2019.

**6. Presidents Report:**

\* Thank you everyone for organizing Bunnings BBQ, the day went very well, with many volunteers during the middle of the day.

\* Possibly building a shed for P&C storage
