

## **Important Covid-19 Notice for the remainder of Term 3, to Parents and Carers from the Department of Education and Mount Annan High School**

Schools continue to be safe, and operations are in line with Australian Health Protection Principal Committee (AHPPC) and NSW Health advice. All students should be learning on campus unless they are unwell or have a medical certificate to support their absence.

The activities that are permitted at school will be conducted in a way that is safe and appropriate in the current environment. Those that remain on hold will be reviewed during the term and will recommence when appropriate based on health and other relevant advice.

### **School attendance - Students should be at school unless:**

- They have a medical certificate which states that they are unable to return to school due to an ongoing medical condition and the expected timeframe.
- They are currently unwell.

In accordance with advice from NSW Health, parents and carers are reminded NOT to send children to school if they are unwell, even if they have the mildest flu-like symptoms. Schools will make arrangements for students who present as unwell or have flu like symptoms to be sent home.

NSW Health have requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the COVID-19 clinics.

Students and staff with flu like symptoms will need to provide a copy of a negative COVID-19 test result **before being permitted to return to school.**

Schools are not required to conduct widespread temperature screening or mandate the wearing of a mask.

All schools will be vigilant when implementing infection control, physical distancing and personal hygiene protocols to protect the health and safety of students and staff. Schools will promote the need to follow good hygiene practices such as:

- regularly washing hands
- avoiding sharing drinks or food
- coughing or sneezing into your elbow, or a tissue which should be discarded immediately
- filling water bottles from bubblers rather than using the bubbler directly.

Check the Latest COVID-19 case locations in NSW and follow the recommended actions if you have been in a location where there have been confirmed cases of COVID-19. We encourage members of the community to monitor this site. Please follow the relevant health advice if you have been at any of the locations at the specified dates and times. The locations along with the times and dates of when the cases were identified can be found on the NSW COVID-19 website.

### **School activities/school site usage**

Additional safety measures for school activities have been put in place to minimize the risk of COVID-19 transmission in schools for the **remainder of Term 3**.

The following principles underpin these measures:

- Where possible, students will stay within their relevant cohort group (i.e. class, year group, or stage) for all learning activities within their school in order to limit close contacts to the relevant student cohort.
- Inter school activities must remain within the local community or zone. This applies to all interschool sport and physical activities, curriculum activities, arts activities and extra-curricular activities organised or sponsored by the school. Schools must not travel outside of their local community area. Metropolitan schools cannot travel outside their local area or to regional areas. Regional areas cannot travel into metropolitan areas or other regional areas.
- Only providers that are essential to the delivery of curriculum can continue to provide services and programs until further notice.
- Parents/carers and other non-essential visitors are **not** allowed on the school site.
- All group singing (choirs) and/or other chanting activities, as well as the use of wind instruments in group settings, are not permitted. Special arrangements are in place for HSC students.
- Year 11 and 12 students completing HSC subjects may continue to attend classes/activities relating to subjects only available on other campuses. All other students including Year 11 students not completing a HSC subject are not to attend other campuses for the remainder of Term 3. TAFE and other Vet programs may continue.
- School formals, dances, graduation or other social events are not permitted. Schools may hold a Year 12 assembly at school without parents to recognise the completion of school. Schools may consider delaying events until later in the year.

### **Activities/site usage that can take place:**

- Use the school library
- Engage in sporting activities within restrictions
- Canteens and uniform shops can open at principal's discretion
- All VET work placements can proceed subject to the availability of placement, appropriate risk assessments, and a COVID-19 Safety Plan must be in place. For any that can't proceed, refer to the NESA website.

- School based apprenticeships and traineeships can recommence once the relevant workplaces are back in operation and a COVID-19 Safety Plan is in place.
- Trade Training Centres can operate on school sites with a COVID-19 Safety Plan in place.
- School assemblies (limited to 15 minutes and no external visitors)
- Students may attend other schools for essential curriculum related reasons or placements (e.g. auditions or placement tests)
- Hydrotherapy pools can be used
- Incursions/external providers can provide activities that support delivery of curriculum (e.g. music tutors, sport skills development programs, science demonstrations, drama tutors, Healthy Harold).
- Day field trips to outdoor locations with no physical distancing requirements can take place (e.g. DoE Environmental Education Centres and sport and recreation facilities, trips to local river to collect water samples)
- Face-to-face TAFE attendance (see TAFE website for further information)
- School photos

### **Physical distancing**

**Physical distancing of students in schools is not required under the AHPPC guidelines.**

Parents should ensure school pick up and drop off arrangements enable them to physically distance from one another and from staff.

### **School cleaning and hygiene supplies**

Your school will continue to receive additional cleaning in line with the AHPPC guidelines and advice from NSW Health. Target areas include high-touch areas and other hard surfaces, door handles, lockers, light switches and handrails in stairways and movement areas. There will also be additional cleaning of toilets and bubblers and topping up of supplies like soap.

Standard packs of hygiene products continue to be dispatched to schools. The packs include liquid soap, hand sanitiser, paper towels, surface spray, disinfectant wipes. Quantities are calculated on the number of habitable spaces at each school. Schools can continue to request supplies through the School Supplies email address.

### **Responding to COVID-19 cases**

There is a clear plan in place for schools to respond to any suspected or confirmed cases of COVID-19 in our schools. We are working closely with NSW Health and will communicate with parents if a situation arises. Read more about our Response protocols for COVID-19 cases.

**Transport**

Bus services to and from schools are scheduled to run as normal. For travel advice to and from school refer to the NSW public transport service.
