2 June 2020

Dear Parents and Carers,

As we have now returned to normal classes with elements of protection in place and a healthy percentage of students attending each day (90+%), it is important that our students get back into a routine that promotes quality learning. I ask that all students **bring the appropriate equipment** necessary for them to complete the work in each class on their timetable, all students **should be in full school uniform** - no track-pants, no hoodies, no clothing without the MAHS logo should be visible. Students who persist with wearing the incorrect uniform will be treated with disciplinary action. If you are experiencing financial difficulties regarding providing your child with appropriate and warm clothing for school please contact the school, speak with the Deputy Principal of your child's year group or myself and we will develop a plan to assist.

Students have been reminded of our school procedures and **mobile phones are not permitted** to be used at school unless students are invited to use them by their class teacher.

Phones will be confiscated and repetitive offences against this procedure will have disciplinary consequences as will any other repeated non-compliance of school policies.

Commencing **Wednesday 3 June** students will be using the change-rooms again for sport and will no longer be able to wear their sports uniform to school but need to bring it with them and change for the lesson.

I thank our community for the tremendous cooperation throughout our learning from home phase and hope to continue the wonderful relationships formed to promote the learning of our whole school community.

Ken Bates
Principal

STRIVE, RESPECT and CO-OPERATE
