

## Special Religious Education Program

Dear Parent/ caregiver,

Parents/caregivers in public schools have the right to have their children receive instruction in their preferred religious persuasion, where authorised teachers of that persuasion are available.

A special religious education program is available at the school and is run by authorised volunteers of approved religious persuasions.

The approved special religious education program currently provided at the school is: **Non-denominational Christian SRE**. Contact details of SRE program coordinators can be provided by the school if required.

**Please nominate if you wish your child to participate in the Non-denominational Christian special religious education program, or indicate that you wish to withdraw your child from special religious education, by completing and returning the attached form.**

Students continue in the same arrangement each year, unless a parent/caregiver has requested a change in writing. At any time, you have the right to change your SRE nomination or to withdraw your child from the nominated lessons. A note to the Principal will affect this change.

Regards,

K.Bates

Principal
